Figure 1 shows the plan view of the experimental area, which consists of five rectangular basins labeled BACHE 1 through BACHE 5. Each basin's dimensions and area are provided:

- BACHE 1:** Dimensions 1.94 m (width) and 6.12 m (length). Area = 11.78 m².
- BACHE 2:** Dimensions 1.02 m (width) and 2.43 m (length). Area = 1.32 m².
- BACHE 3:** Dimensions 0.77 m (width) and 2.26 m (length). Area = 1.24 m².
- BACHE 4:** Dimensions 1.51 m (width) and 4.23 m (length). Area = 3.52 m².
- BACHE 5:** Dimensions 3.04 m (width) and 6.04 m (length). Area = 18.36 m².

The diagram shows six rectangular plots arranged in a grid-like fashion. Each plot is labeled with a number and its area in square meters (m²). The dimensions are given in meters (m).
